20th October 2021

Dear Parents/Carers,

As a part of your child's educational experience at Kingswood Primary Academy, we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health and Economic (PSHE) education that gives children and young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives, both now and in the future.

As you may already be aware, the Department for Education has announced changes to relationships and sex education following nationwide consultation. These changes will come into effect from September 2020 and all schools will be required to comply with the updated requirements. Due to the impact of COVID 19 and restrictions, we have decided to conduct a review and consultation with parents and carers now. The statutory guidance can be found at:

<https://www.gov.uk/government/publications/relationships-education-relationships-and-sex-education-rse-and-health-education>

The new guidance focuses on healthy relationships and keeping children safe in the modern world. It also covers a wide range of topics relating to physical and mental health, wellbeing, safeguarding and healthy relationships.

Learning about the emotional, social and physical aspects of growing up will give children and young people the information, skills and positive values to have safe, fulfilling relationships and help them take responsibility for their own well-being.

Consequently, from September 2020, Relationships, along with Health Education, became statutory, and forms part of the National Curriculum. However, the DfE continue to recommend that all primary schools should have a sex education programme tailored to the age and the physical and emotional maturity of the pupils. Where schools provide sex education at key stages 1 and 2, parents will have the right to withdraw their child from sex education but not from statutory Relationships Education, Health Education or what is taught in the Science National curriculum.

This means that we have been reviewing our RSE (Relationship and Sex Education) curriculum and policy so we can be sure our RSE provision is appropriate for our pupils based on their:

Part of the Greenwood Academies Trust Group

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and disabilities

Whilst I am sure that there will be differences of opinion about this, we hope that consulting with you will help to inform our schools' decisions on when and how certain content is covered and enable us to reach a general consensus.

What is taught, and how, is ultimately a decision for the school and consultation does not provide a parental veto on curriculum content as schools are legally required to teach the National Curriculum. The right to withdraw children from some lessons is explained within the policy.

Please do not hesitate to contact myself or Mr Bark if you wish to discuss the matter in further detail.

Yours sincerely,

A handwritten signature in blue ink that reads "C. Barrington". The signature is written in a cursive style with a horizontal line at the end.

Mrs Chrissie Barrington
Executive Principal
