

Attendance

If your child is absent from school, you **must** contact the school on 01536 742677 and leave a message **before 8.45am**.

This is particularly important for children who walk to and from school without an adult.

Thank you.

Eagles Class achieved the highest attendance for week ending 16th November

Squirrels Class achieved the highest attendance for Week ending 23rd November

Red Kites and Year 6 achieved the highest attendance for week ending 30th November

Year 6 to Warning Zone

Thursday 22nd November

Year 6 went to the Warning Zone in Leicester as part of their PSHE curriculum. It was a fantastic day where they learnt all about keeping safe in fun and interactive settings.

The children talked thoroughly about internet safety (focussing specifically on how to stay safe when using social media and the implications posting things online can have) The afternoon focussed on staying safe in general: looking at real life danger scenarios such as house fires, busy roads as well as much more. A truly valuable trip that I'm sure will be well remembered by the children.

Come along and read with your child in school ...

Every Wednesday 8.30am 'Book and Breakfast' in the Library with Louise.

Every Tuesday 3.30pm 'Book and Biscuits' in the Library with Mr Martino

Reading is the **KEY** to learning

Autumn Term 2

What a busy month November has been! Firstly, we had a visit from Ofsted which went well. I hope to be in a position to share the report with you early next week. I'd like to thank you all for your support and kind words during the inspection - they were very much appreciated. We have also had a visit from the Careers Mark assessors and again I hope to be able to share positive news with you before the end of term.

We are now busy preparing our Christmas performance and we hope to see lots of you in school and at the church to support the children.

Charity Christmas Presents—This year in order to provide children living in refuge with Christmas presents, as a school we are sending some presents to KidsOut using their initiative the "Giving Tree". In the office there is a selection of present labels stating ideas for appropriate gifts- if you would like to donate a present please ask the office or Mr.Bark for a label. Any help would be much appreciated.

Mrs Barrington

Enriched Curriculum

Year 1 to Bosworth Battlefield

Thursday 1st November

Year 1 went on a fantastic day out to Bosworth Heritage and Battlefield Museum. They had a great day leaning about the Wars of the Roses, King Henry and King Richard's rivalry, holding and fighting with medieval weapons and dressing up as knights and royals. The children came away with big smiles and lots of stories to tell.

School Uniform

Please remember to name all your child's clothes – one Kingswood sweatshirt looks much the same as another!

If you have any uniform (including shoes) that is in good condition, that you would like to donate, we are always happy to accept it.

A reminder that boots, trainers and Jojo bows are not part of school uniform

Enriched Curriculum

Children in Need day

Friday 16th November

The children looked fantastic for our 'Spotty' themed mufti-day. We raised £153.00 for Children in Need. Thank you for generous donations.

Forest School

Forest School—Friday 30th November

Some of our children visited Fineshade Woods to look at the 'Archive of Trees' exhibition by Edwina Fitz Patrick. The session was about Dendrochronology (study of growth rings in trees and aged wood). Afterwards they had time to find certain trees from the exhibition in Fineshade woods.

Dates for your diary ...

Competition

Athletics Competition—Thursday 23rd November

A group of year 1 and 2 children took part in the Sportshall Athletics competition at Brooke Weston Academy. Other similar events were taking part at the same time with other Corby schools.

They all worked really hard to push themselves as well as supporting each other. There was 10 children in the group from our school and lots of children from larger schools so we were overjoyed to find out that we had come first out of all of the schools taking part— fabulous achievement. Well done to these children.

Raptorxotics

Nocturnal Creatures Experience

Nursery and Reception children and adults got up close to a range of nocturnal creatures such as owls, a hedgehog, a Geko, Cockroaches and a snake. We all learnt a lot about the different creatures and we were even lucky enough to stroke some of them. The children were in fact braver than Miss Langley!

Diwali Day

Diwali Dance Workshop

The children celebrated Diwali with a dance workshop which included some great moves by both children and adults! Within classes the children also took part in activities such as sewing and pottery .
