

Music Development Plan Kingswood Primary Academy

Annual Review and Update

Successes:

All pupils had opportunities to perform music through singing or playing instruments to audiences of pupils, staff and parents throughout the year.

A school choir was established, receiving weekly specialist tuition and performing at a range of events including music recitals, Christmas celebrations

Pupils accessed peripatetic music tuition in violin with regular opportunities provided for pupils to showcase their learning through performances in assembly.

Opportunities for musical participation and performance were broadened across the academy, supporting pupils' confidence, creativity and appreciation of music.

Pupils in Year 1 took part in a six week session of learning to play the drum, Year 5 the Ukulele adding to KPA's enrichment offer.

To be adjusted and updated in the Music Development Plan for 2026/2027:

Development of a school band explore the possibility of using the Rocksteady programme to enable pupils to form and perform in a school band, increasing engagement and confidence in music

To increase opportunities for pupils to perform in community events and larger scale music projects
