

Looking for an amazing start to
your child's education?

'Kingswood Primary Nursery'

Term-time only Nursery within a primary school setting.

We offer both 15 hours government funded sessions for
children aged 3 and 4.

30 hours places to follow if there is sufficient demand.

Why choose us?

- We have experienced staff who are experts in early years. We have a team of 3 full-time, qualified Nursery staff.
- Children are at the centre of all that we do.
- We centre our curriculum around the children's ideas, interests and questions all whilst developing their next steps in learning.
- We offer a large indoor and outdoor nursery space, offering fabulous support for independence, outdoor learning and tasks and activities to develop social and language skills.
- Our environment replicates home; using real life objects and tools – just like the grown-ups use!
- Our caring staff support your child to help them be ready and prepared for the next phase of their education.
- Children start to learn phonics, reading, writing and maths, giving them a head start on their educational journey.
- All of our Nursery children received an early introduction to Forest Schools and leaning about nature.
- There are fabulous opportunities for children to work alongside Reception staff and children. A great transition opportunity.
